## Revenue Officers Fired Upon.

Deputy Collector Crowell and Constable Alexander cut up a still on Keowee river Tuesday, and while looking for another still in the same section were shot at several times. They could not see any one while the shooting was going on, but could hear the shot passing thru the trees above them and it did not sound like sweet music to their ears. It is not thought the shots were fired to kill but only to bluff them away. However the bluff failed to work. No one was injured.

## Best Cough Medicine for Children

## Mrs. Bower Freeman's Death.

Our community mourns over the affliction that has come to the home of Mr. Bower Freeman in the death of Mrs. Bower Freeman on Dec. 25, 1913. Thus Christmas festivities are turned into days of gloom.

The very pathetic scene of a large and serene assembly at Cross Roads church on Dec. 26 bespoke the deep sympathy of all the people for the bereaved family.

Rev. D. W. Hiott, in an earnest and pathetic way, preached the funeral sermon, delivering the gospel truth with uncton.

Mrs. Freeman had for months been afflicted with pellagra. Her long sickness was a great burden to the family, which burden the neighbors did all they could to relieve.

She was patient in affliction till the end came.

The deceased leaves behind her husband with five small children, a father, mother (Mr. and Mrs. G. W. Cox), and three sisters and one brother. Pearl Findley.

With the great increase in mails of all classes it would be well for all the people to exercise greater care with the packages and letters, but especially with the packages. Wrap the package securely, or if it is a box see that it is a good one, not easily broken, as nearly all the mail that is damaged is caused by being improperly prepared.

Then as to lost mail; at least 97 per cent is lost by not being properly addressed. Address your mail with care, using pen and ink, as pencils will sometimes get rubbed off. Write in a plain, legible hand. Write the address in the lower right hand of your parcel, putting your name and address at the upper left part of the package, as the law requires that your name and address appear on all packages you mail.

Don't close your package so that it cannot be opened easily. Don't inclose writing in your package as that makes it first-class at a higher rate. Many presents are not appreciated because the recipient has had to pay more due postage than the package was worth.

A. M. MORRIS.
